First time I saw

A once in a lifetime romance...
That's what we found.
The sun and the moon and stars...
Kept spinnin' round.

Summer went by so slowly...
Our hearts lost control.
And.. I want to tell the world that...
I love You...Every Day. Every Way

And when I thought I'd lost you...
Didn't know what to do.
I can't imagine...
Life without you.

So, please say you'll never leave me...
We'll stay side by side.
Look in each others eyes ...And say...
I love You...Every Day. Every Way
