Wrap it on up and take it on home with you.

Down at the store looking at the Big Screen
52"... Best picture I've seen.
Remote control like Rocket Science,
Sittin on the couch will be so nice.
Salesman comes over and says to me
Buy it today, we'll deliver for free.

Asked this girl if she wanted a drink.
She smiled and said, "What do you think".
Her hair was blonde and her legs were lean.
So I ask her, "Want to blow this scene".
She hands me her coat and stands real near
And says the words I've been waiting to
hear..
